Section 9 of the National School Lunch Act requires that, unless your children's SNAP or Temporary Assistance case number is provided, you must include the last four digits of a social security number of the adult household member signing the application or indicate that the household member signing the application does not possess a social security number. Provision of the last four digits of a social security number is not mandatory, but if the last four digits of a social security number are not provided or an indication is not made that the signer has none, the application cannot be approved. The social security number may be used to identify the household member in carrying out efforts to verify the accuracy of information stated on the application. These verification efforts may be carried out through program reviews and investigations, and may include contacting employers to determine income, contacting a SNAP or welfare office to determine current certification for receipt of SNAP or Temporary Assistance benefits, contacting the State employment security office to determine the amount of benefits received and checking the documentation produced by the household member to provide the amount of income received. These efforts may result in a loss or reduction of benefits, administrative claims, or legal actions if incorrect information is reported.
